**Please Note**

- All Korean-track undergraduate majors are primarily taught in Korean. However, certain courses may be offered in English.
- <sup>1</sup> **School of Architecture-Architectural Engineering program** offers an ABEEK-accredited program (Accreditation Board for Engineering Education of Korea).
  - ABEEK: The official accrediting body that grants internationally recognized accreditation for engineering education programs in Korea.
- <sup>2</sup> **School of Architecture-Architecture Program** offers a KAAB-accredited program (Korea Architectural Accrediting Board).
  - KAAB: The Korea Architectural Accrediting Board, the official body that accredits professional degree programs in architecture in Korea according to international standards.
- <sup>3</sup> **ITM and MSDE** offers dual-degree program with Northumbria University (UK). All years of study are completed in Korea.(Spring admission only)
  - ITM : Courses are taught in English from the second to the fourth year Applicants must submit both Korean and English language proficiency test scores.
  - MSDE : Courses are taught in English from the first to the fourth year. Applicants are required to submit English language proficiency scores.
- <sup>4</sup> **Global School of Liberal Studies** (*New in 2026 Academic Year*)
  - operated by the International College of SeoulTech, this program is designed exclusively for international students
  - Students admitted to the Global School of Liberal Studies may select their preferred major within an academic track

- Students admitted to this program may choose a department within their selected academic track.
- After completing two semesters in the Global School of Liberal Studies and fulfilling the required foundation courses (including Korean language\* and major prerequisites), students are guaranteed placement in their chosen department within the track.
- \* Korean language courses may be exempted if the student holds a qualifying score on TOPIK or an equivalent certification.
- From admission to graduation, students will receive comprehensive academic and personal support from dedicated track coordinators to ensure their academic success and smooth transition into university life.
- Beginning with the 2027 academic year, international admissions will be administered primarily through the Global School of Liberal Studies, with only a few departments conducting their own admissions separately.

## [Important Notes for Document Submission]

- All application documents **must be written in Korean or English**. Documents written in other languages **must be accompanied by a notarized Korean or English translation**.
  - ※ When submitting notarized translations, the original document must be placed in front of the notarized translation.
  - ※ **Do not rearrange or detach Apostille/Consulate-verified documents. Modified documents will not be accepted.**
- All submitted documents **must be original and issued within 6 months prior to the application deadline**.
  - ※ If a document cannot be reissued and only a copy is available, the applicant must either present the original for verification or submit a certified copy with an official seal.
  - ※ If the required documents are not submitted by the original deadline, we extend the submission period and allow applicants to supplement their documents during the screening process. The updated deadline will be announced through further notice.
- Submit all required documents in the order listed on the Checklist, enclosed in one envelope.
- **For academic records such as transcripts, graduation certificates, or proof of enrollment issued by foreign schools, one of the following must be submitted:**
  1. Consular confirmation by the Korean embassy/consulate in the country of the issuing institution
  2. Confirmation letter issued by the embassy/consulate of the applicant's home country in Korea
  3. Apostille confirmation (if the issuing country is party to the Apostille Convention)
- Undergraduate applicants who have legally resided in Korea for at least six consecutive years and have completed both middle and high school in Korea are exempt from submitting financial documents proof.
- If the information in the submitted documents is unclear or insufficient, additional documents may be requested.
- **All submitted documents and materials will NOT be returned to the applicants, so applicants are strongly advised to prepare extra copies in advance for visa applications and other future uses.**
- Information regarding the screening procedures and final evaluation will not be disclosed under any circumstances.
- If forged or falsified documents are submitted, if eligibility requirements are not met, or if dishonest acts such as proxy testing or misrepresentation are discovered, admission will be revoked even after enrollment. SeoulTech reserves the right to pursue legal action and may permanently disqualify the applicant from future admissions.
- Applicants are required to review the academic program details thoroughly prior to application. Changes to the selected major will not be permitted after submission.
- In case of any discrepancies between the Korean and English versions of this admissions guide, the Korean version shall prevail.

## [Notice on Academic Background]

- **Applicants expecting to graduate must submit an official graduation certificate before the start of the semester. Failure to do so may result in revocation of admission.**
  - ※ The graduation certificate must clearly state the expected month and year of graduation.
  - ※ Certificate of Admission will be issued only after the final certificate of graduation is submitted. However, in countries where delays are officially recognized (e.g., Vietnam, Myanmar, Nepal, India, Malaysia, Sri Lanka, Cambodia, Israel), a certificate of expected graduation or a provisional certificate may be accepted temporarily. (In such cases, Apostille or consular authentication from the Korean embassy is required.)
- GED, high school equivalency exams (domestic or international), home-schooling, online learning, adult education, and lifelong learning programs are not recognized as valid academic qualifications.
