Beginning with the 2027 academic year, international admissions will be administered primarily through the Global School of Liberal Studies, with only a few departments conducting their own admissions separately.

Undergraduate Freshman

1. Global School of Liberal Studies Admissions

College	Academic Track	Department		Remarks
International College Global School of Liberal Studies	Engineering Track	College of Engineering	· School of Mechanical System Engineering(Intelligent Robotics Engineering) · School of Mechanical System Engineering(Automotive Engineering) · Dept. of Mechanical Engineering · Dept. of Safety Engineering · Dept. of Materials Science and Engineering · Dept. of Civil Engineering · School of Architecture(Architectural Engineering Program) ¹	
		College of Business and Technology	· Dept. of Industrial Engineering (Industrial and Information Systems Engineering)	
	Information and Communication Track	College of Information and Communication Engineering	· Dept. of Electrical and Information Engineering · Dept. of Electronic Engineering · Dept. of ICT Convergence Engineering	
		College of Creativity and Convergence Studies	· Dept. of Applied Artificial Intelligence · Dept. of Semiconductor Engineering	
	Energy and Biotechnology Track	College of Energy and Biotechnology	· Dept. of Chemical and Biomolecular Engineering · Dept. of Environmental Engineering · Dept. of Food Science and Biotechnology · Dept. of Fine Chemistry · Dept. of Optometry	
		College of Creativity and Convergence Studies	· Dept. of Future Energy Science	
	Design Track	College of Art and Design	· Dept. of Industrial Design · Dept. of Visual Communication Design	Portfolio required
	Humanities and Social Sciences Track	College of Humanities and Social Sciences	· Dept. of Public Administration · Dept. of English Language and Literature	
		College of Business and Technology	· Dept. of Business Administration(Global Technology Management)	
		International College	· Dept. of Korean Language and Culture · Dept. of AI · Media	
	Computer Science and Engineering Track	College of Information and Communication Engineering	· Dept. of Computer Science and Engineering	

- Operated by the International College of SeoulTech, this program is designed exclusively for international students
- Students admitted to the Global School of Liberal Studies may select their preferred major within an academic track
- Students admitted to this program may choose a department within their selected academic track.
- After completing two semesters in the Global School of Liberal Studies and fulfilling the required foundation courses (including Korean language* and major prerequisites), students are guaranteed placement in their chosen department within the track.
 - * Korean language courses may be exempted if the student holds a qualifying score on TOPIK or an equivalent certification.
- From admission to graduation, students will receive comprehensive academic and personal support from dedicated track coordinators to ensure their academic success and smooth transition into university life.
- **¹School of Architecture-Architectural Engineering program** offers an ABEEK-accredited program (Accreditation Board for Engineering Education of Korea).
 - ABEEK: The official accrediting body that grants internationally recognized accreditation for engineering education programs in Korea.
- Academic Path for Global School of Liberal Studies

2. Departmental Admissions

Important Notes on Document Submission

- All application documents **must be written in Korean or English**. Documents written in other languages **must be accompanied by a notarized Korean or English translation**.
 - ※ When submitting notarized translations, the original document must be placed in front of the notarized translation.
 - ※ **Do not rearrange or detach Apostille/Consulate-verified documents. Modified documents will not be accepted.**
- All submitted documents **must be original**.
 - ※ If a document cannot be reissued and only a copy is available, the applicant must either present the original for verification or submit a certified copy with an official seal.
 - ※ If the required documents are not submitted by the original deadline, we extend the submission period and allow applicants to supplement their documents during the screening process. The updated deadline will be announced through further notice.
- **Document Validity Periods**
 - **Apostille or Consular-authenticated documents related to academic credentials: No expiration date**
 - **Notarized documents : Must be issued within 6 months prior to the application date.**
- Submit all required documents in the order listed on the Checklist, enclosed in one envelope.
- **For academic records such as transcripts, graduation certificates, or proof of enrollment issued by foreign schools, one of the following must be submitted :**
 1. Consular confirmation by the Korean embassy/consulate in the country of the issuing institution
 2. Confirmation letter issued by the embassy/consulate of the applicant's home country in Korea
 3. Apostille confirmation (if the issuing country is party to the Apostille Convention)
- Undergraduate applicants who have legally resided in Korea for at least six consecutive years and have completed both middle and high school in Korea are exempt from submitting financial documents.
- If the information in the submitted documents is unclear or insufficient, additional documents may be requested.
- **All submitted documents and materials will NOT be returned to the applicants, so applicants are strongly advised to prepare extra copies in advance for visa applications and other future uses.**
- Information regarding the screening procedures and final evaluation will not be disclosed under any circumstances.
- If forged or falsified documents are submitted, if eligibility requirements are not met, or if dishonest acts such as proxy testing or misrepresentation are discovered, admission will be revoked even after enrollment. SeoulTech reserves the right to pursue legal action and may permanently disqualify the applicant from future admissions.
- Applicants are required to review the academic program details thoroughly prior to application. Changes to the selected major will not be permitted after submission.
- In case of any discrepancies between the Korean and English versions of this admissions guide, the Korean version shall prevail.
- **Unsuccessful applicants from the 1st round of undergraduate admissions may reapply for the 2nd round. However, previously submitted documents cannot be reused, so all required documents must be submitted anew.**

Notice on Academic Background

- **Applicants expecting to graduate must submit an official graduation certificate before the start of the semester. Failure to do so may result in revocation of admission.**
 - ※ The graduation certificate must clearly state the expected month and year of graduation.
 - ※ Certificate of Admission will be issued only after the final certificate of graduation is submitted. However, in countries where delays are officially recognized (e.g., Vietnam, Myanmar, Nepal, India, Malaysia, Sri Lanka, Cambodia, Israel), a certificate of expected graduation or a provisional certificate may be accepted temporarily. (In such cases, Apostille or consular authentication from the Korean embassy is required.)
- GED, high school equivalency exams (domestic or international), home-schooling, online learning, adult education, and lifelong learning programs are not recognized as valid academic qualifications.

Notice on Nationality

• Proof of family relationship varies by country (examples) :

Philippines : Family Census, **Indonesia** : Family relation verification(KARTU KELUARGA), **Bangladesh** : Jeommeo Kakus or Jeommeo Sidetiket, **Vietnam** : So ho Khau or Giay Khai sinh, **Mongolia** : Kin relation verification, Birth certificate
Pakistan : Family Certificate, **Sri Lanka** : Pauler certificate, **Myanmar** : Yingtaususayen, **Nepal** : Jeonmadalda, **Kyrgyzstan** · **Kazakhstan** · **Uzbekistan** · **Ukraine** · **Thailand** : Birth certificate

- Applicants (or parents) holding dual or multiple citizenship including Korean nationality are not eligible for international student admission under this track.
- If special family circumstances apply (e.g., divorce, remarriage, single parenthood, deceased parent, or acquisition of Korean nationality), applicants must provide official documentation as evidence.
 - ※ Examples of documents : Divorce Certificate, Certificate of Family Relations, Certificate of Single Parenthood, Death Certificate, etc.
 - ※ If a parent remarried to a Korean national, the applicant must submit the Korean national's (detailed) certificate of family relations.
- For single-parent families, only the nationality of the legal guardian (father or mother) will be considered. Official documentation issued by a government authority must be submitted to prove the family status.

Additional Notes

- National Health Insurance for International Students : National Health Insurance(NHIS) enrollment is mandatory for all international students at SeoulTech from March 2021.
 - Health insurance enrollment is automatically processed after alien registration.
- The Spring 2027 Semester begins on Tuesday, March 2, 2027.
- If the applicant's visa is denied by the Korean Immigration Office or a Korean embassy/consulate, the admission will be canceled, and any paid tuition fees will be refunded in accordance with SeoulTech's refund policy.
- **Graduate Students - Sponsored by a SeoulTech Professor** : If the applicant's financial sponsor is a full-time professor at SeoulTech, the Office of International Affairs will directly contact the sponsor to collect the required documents for visa application (Financial Certification, Tuition Support Letter, Financial Support Plan, etc.).
 - ※ Required documents may vary depending on the embassy or consulate.

Advance Notice

- The Department of Biomedical Science (English Track) is scheduled to open starting from the 2028 academic year.
